SCOOL DUDES

Learning Outcomes

- Enables students to experience nature in unfamiliar settings and enhances participants levels of trust and bonding with one another.
- The activities and environment, push the students out of their comfort zone, posing physical, psychological and interpersonal challenges.
- These experiences lead the students to reflect on their self limiting beliefs, fear, anxieties and perceptions about risk factors enabling them to cope in ways that they are not usually accustomed.
- Students experiments with new behaviors through self discovery leads to change that can be integrated into their daily lives.
