## ANNUAL DAY – SYMPHONIA – 2023 – 2024

The annual day program for the academic year 2023–2024 was held on 2nd February 2024. The program showcased extraordinary talents, brought the school community closer, and celebrated the achievements of our students. The event commenced with a warm welcome speech by our principal, who expressed her Pride in the accomplishments of our students and the hard work put in by the staff to make this day a success. The program was themed "Jumanji" to emphasise and encourage the students to face their fears boldly. The main highlight of the evening was the annual prize distribution ceremony, where outstanding students across various academic and co-curricular disciplines were recognized and awarded for their accomplishments. This motivated the students to continue striving for excellence. The cultural extravaganza began with a delightful performance by the school choir who mesmerised the audience with their melodious voices and synchronised choreography. The precision and coordination displayed by our young students reflected their dedication and hard work put into practice.

## FOUNDERS MEMORIAL DAY

In honor of the late Dr. K.C.G. Verghese, the founder of the Hindustan Group of Institutions, Hindustan International School, Guindy held the 18th Founder's Memorial Day on February 14, 2024. Dr. Lalli, the principal, Ms. Vidya Louis, the head of HISTAR, and the school coordinators lit the lamp to begin the homage. Later, there was a prayer. Speech regarding Dr. K.C.G. Verghese was delivered by Ms. Mary Cynthia, the Primary Coordinator. A passage from our founder Wings and Wheel's autobiography was read. An uplifting film was used to highlight Dr. K.C.G. Verghese's accomplishments. The teachers and students paid a floral tribute in honor of the visionary and philanthropist who recognized the value of education for a progressive society at the end of the ceremony.

**TIMES EDUCATION ICON AWARD - 2023 - 24**

**Our school has been recognized by Times of India as one of the South zone's Top International Schools overall.**

## MOU WITH GEOTHE INSTITUTE

A Memorandum of Understanding (MOU) has been inked by the Hindustan Group of Institutions (HGI) and the Goethe Institute, a non-profit German cultural association with 159 institutes worldwide that promotes the study of German, at Max Müller Bhavan in Chennai. Our students will have access to a variety of possibilities, including workshops, cultural events, German certification exams, and more. For our students from Hindustan, this is a fantastic opportunity to discover, showcase, and develop their abilities and talents globally.

## ROBOTICS AND THEATRE WORKSHOP

To enhance students' comprehension of Robotics and Electronics, the American Center US Consulate General in Chennai hosted a Robotics and Theatre Workshop on February 12, 2024. It also gave them the chance to communicate and express themselves through theatrical performances. It was also helpful in overcoming stage anxiety and uncovering the untapped or hidden capacity for verbal and nonverbal idea presentation.

## **DR. KCG VERGHESE MEMORIAL FOOTBALL TOURNAMENT- 2024**

Hindustan International School, Karapakkam conducted a Football tournament on 16th February 2024 at KCG College. Our school students participated in the Under -14 Boys Football Team and played against Hindustan International School, Karapakkam, and secured score 2-1.

## **7TH KESPA - HITS TAMILNADU INTER SCHOOL - COLLEGIATE SWIMMING MEET 2024**

On February 17 and 18, 2024, at Dolphin Swimming Academy in Chennai, KESPA - Chennai conducted the 7th KESPA - HITS TAMILNADU INTER SCHOOL - COLLEGIATE SWIMMING MEET. Sam Wilson from Hindustan International School Guindy won Gold in the 50-meter butterfly, Silver in the 100-meter individual match, and Bronze in the 100-meter freestyle event.

## UBIQUITZ - SCIENCE EXPO 2024

On National Science Day, February 28, 2024, Hindustan International School, Guindy, hosted a science expo. The name of this scientific exhibition was Ubiquitz-24. The purpose of the activity is to give students a common platform on which to mold their creative ideas and benefit from one another's experiences. The display offers a platform for science and technology exploration as well as popularization. This year's exhibition had "Science for Sustainable Development" as its topic. This theme sought to emphasize how science and technology can help solve societal issues and promote sustainability.

## IGCSE AND AS & A LEVEL ORIENTATION

Cambridge IGCSE and Cambridge Advanced are the next levels on the Cambridge Pathway that the students are working towards. Our parents and students in grades 8 and 10 received a course briefing on the courses offered for IGCSE and AS & A Level, as well as a glimpse inside the 2 Year Program. The subject orientation session was enlightening and helped to create a cooperative environment between parents, teachers, and students. Teachers highlighted important learning objectives and evaluation strategies while outlining subjects, syllabus codes, and component codes.

## INTERNATIONAL MATHEMATICS OLYMPIAD

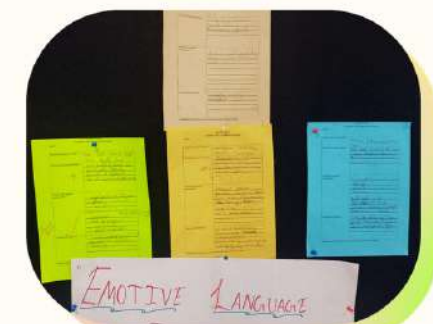

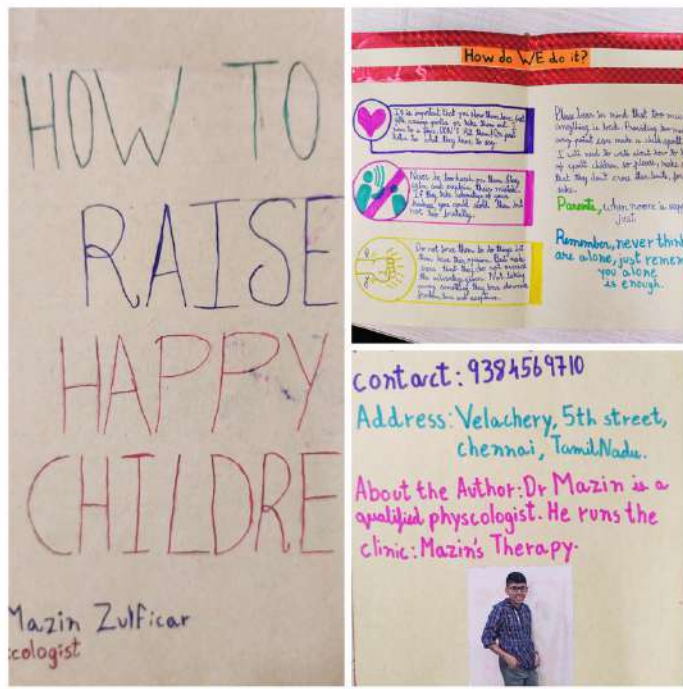

Olympiad tests encourage students to acquire knowledge in disciplines including science, math, computer technology, and English language proficiency. Based on how they performed in the national or worldwide exam, an Olympiad aids students in evaluating their strengths and shortcomings. Twenty students out of the 101 who registered for the Math Olympiad exam received medals and certificates.

# Students Corner

## CREATING A LEAFLET

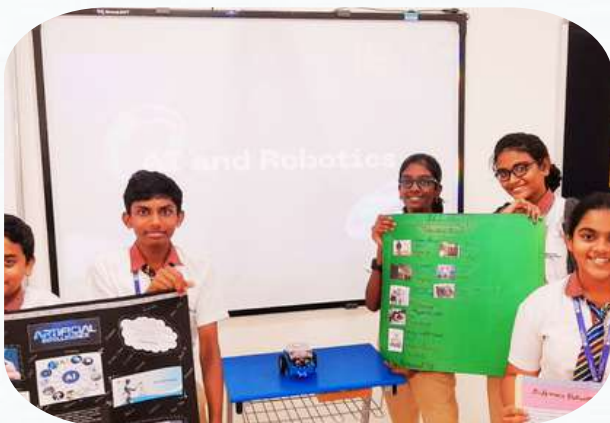

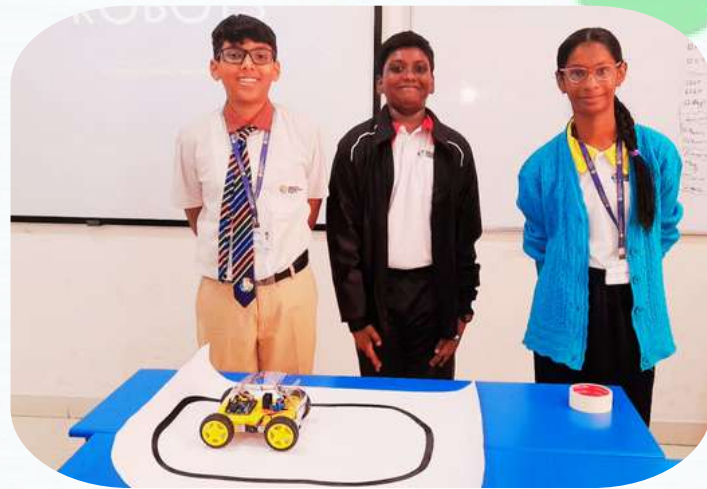

Our leaflet excursion into the realm of advice articles was the ideal activity-based learning experience for the students in Grade 7, complete with engrossing images and illuminating facts. Each student selected a topic that piqued their attention from a wide range of options. As they put on the hats of the authorities in their field of guidance, their final presentation was a confident display.

# Students Corner

## PRESENTATION ON AI

Students in Grades 7 and 8 presented on the topic of "Artificial Intelligence & Robotics," using slides to highlight the latest developments in these fields as well as current technology trends. The different uses of robots in the manufacturing, medical, and agricultural industries were also illustrated by a few working models that were on display.
