FROM THE EDITOR'S DESK...

Dear Reader,

Welcome to the latest edition of our monthly newsletter! We sincerely take immense pride in our student's accomplishments and development which have the appropriate backing from their parents and teachers. As exceptional learners, they unwaveringly exhibit the distinctive qualities of the "Learner Profile" as they grow, develop, and change each day. It has been amazing to see their accomplishments thus far. We have always strived to give our young students the finest possible education and real-world experience while also involving, inspiring, and preparing them. We genuinely think that every child, with the proper resources, has the limitless capacity to succeed in life. As a result, we have been working nonstop to prepare them for the difficulties and obstacles that come with living a real life.

BOOK LAUNCH

Dr. Anand Jacob Verghese, Chairman of Hindustan Group of Institutions and Chancellor of Hindustan Institute of Technology and Science, launched his inspiring biography *Skyward Bound* at prestigious events in London, Dubai, and Chennai. The book highlights his remarkable journey from educator to visionary leader, and his impact on shaping the future of education in India and beyond. Honorable Member of Parliament, Mr. Shokat Adam MP from Leicester, UK had recently launched the book in United Kingdom, which also marked the inauguration of the UK Alumni Chapter of Hindustan Group of Institutions. Nobel Laureate Sir Andre Konstantin Geim, co-discoverer of Graphene, who was recently in India had also unveiled the biography. Shri Anurag Singh Thakur, Honorable Member of Parliament and Former Cabinet Minister of Information and Broadcasting and Youth Affairs and Sports, Government of India was the Chief Guest for the event in Dubai. The presence of esteemed guests from the consulate, ministers, and global entrepreneurs was a testament to the importance of this occasion.

AS & A LEVEL SUBJECT ORIENTATION

Hindustan International School, Guindy held an AS & A Level Subject Orientation for Grade 10 students and their parents, guiding them on the academic paths available in the upcoming years. The orientation provided a comprehensive overview of each subject, highlighting course content, assessment criteria, and career pathways. Faculty members explained subject options, fostering informed decision-making for students.

Interactive discussions allowed students to ask questions and gain insights into the Cambridge curriculum's demands. The session concluded with valuable advice on balancing academics and personal interests, empowering students to make thoughtful

LEADERSHIP CAMP

The Leadership Camp, held on October 18th and 19th at Hindustan International School, Guindy, brought together 32 students from Grades 10 to 12. With a focus on building leadership skills, teamwork, and communication, students participated in various engaging activities. Highlights included team-building exercises like "Nature's Orchestra," debates, and group discussions. Through these experiences, students developed confidence, self-awareness, and collaborative skills. The camp was a tremendous success, equipping future leaders with essential tools for personal and collective growth.

ANIMAL WELFARE SEMINAR

On October 25th, Hindustan International School hosted a Humane Education session led by Samaran Thamarai from Blue Cross. Students from Grades 6 to 12 engaged in discussions on fostering compassion for animals and learned about local animal welfare challenges, especially for stray animals. Through interactive activities, they explored the importance of adopting pets, respecting wildlife habitats, and supporting animal welfare. The session concluded with a Q&A, inspiring students to take meaningful steps in promoting a humane society.

HALLOWEEN CELEBRATION

Hindustan International School celebrated Halloween on October 28th, bringing together students from Grades 1 to 12 for a day of spooky fun. The event included costume contests, creative games, and eerie storytelling, with students displaying their artistic talents and team spirit. The school auditorium, adorned with Halloween decorations, created an exciting atmosphere, making it a memorable event filled with laughter and creativity.

DIWALI CELEBRATION

Hindustan International School, Guindy celebrated Diwali on October 30th with joy and vibrant festivities for all grades. Students participated in traditional activities, including diya painting, rangoli design, and cultural performances, embracing the spirit of the festival. The school was adorned with colorful decorations, creating a festive atmosphere filled with excitement. Teachers and students shared stories about the significance of Diwali, emphasizing values of kindness, light, and unity.

STUDENT CORNER – VOICES FOR OUR PLANET

MEMORIES OF NATURE – HARINIE (9B)

**Sun shine, warm breeze in the orchid grove,
Heat waves got us sinking to the floor,
Wet grass got me going “woah, woah, woah”**

**Dark nights, laying in the countryside.
Shooting stars make me wonder,
If its truth or lies,
Got me going, “oh, oh, oh”.**

**Cold drizzles darkening those sunny skies,
Smoke and smog are the paying price,
Memories make my brain go “no, no, no”.**

**Where have we gone?
Where is our future?
Where is the tree that hid the darkness?**

**Where are those smiles?
Where is that ice?
Where are those people I thought I knew?**

STUDENT CORNER

THE SOLUTION – ABINITHA (9B)

**Pollution is not the solution,
The solution can never be pollution.
The reason for pollution is gas emission,
And this causes collision,
And collision causes no satisfaction.
For satisfaction, there shouldn't be any collision,
No collision equals to no gas emission,
No gas emission means no pollution,
And that is THE SOLUTION.**

CLIMATE ACTION – RHEMA (7A)

**The climate will change and it will be strange.
the trees will Freeze and you will feel the cold dark breeze
The sun will rise and you all will start to cry,
The sun will rage and the waters will fade.
Stop littering, and make our green Earth clean.**
