NATIONAL NUTRITION DAY

7th September is recognised as the National Nutritional Day. We celebrated this to raise awareness about the importance of nutrition and to share an exciting initiative that our school undertook in honour of Nutrition Day on the theme "Healthy Diet – Going affordable for all". Nutrition plays a vital role in the overall health and well-being of individuals, particularly children. It is crucial that we educate and empower our students to make healthy food choices and develop lifelong habits that will benefit them in the long run.

To promote nutrition awareness, our school organized an activity on Nutrition Day. The students of Grade 1 to 9 were asked to bring organic/natural food from home and display it in their respective classrooms. This event aims to educate students about the importance of good nutrition and encourage them to make healthier choices when it comes to their diet. It is our belief that by empowering them with knowledge and promoting healthier choices, we can positively influence their habits and contribute to their long-term health.

We also had our guest speaker Dr. Muthu Kumar delivered his speech with a presentation. The sessions were on Nutrition during growing years, Addressing under nutrition and role of fortification, Nutrition in Pregnancy and non-communicable disease (NCD).

POETRY

An Ordinary day

**The wind blew,
As the birds flew,
The clouds talked,
As they walked,
The lion roared,
As the eagle soared,
The car went “Vroom”,
As the flowers bloom,
The sun sets,
As the moon rises,
And the day comes to an end.**

The Way of Life

**In the grand tapestry of space and time,
Life weaves its intricate lace.
A dance of atoms, Stars and sun,
A cosmic waltz, never done.**

**In the quiet corners of the mind,
Life's mysteries we seek to find.
A quest for truth, a search for self,
An endless journey, a boundless shelf.**

**Through the prism of joy and strife,
Shines the spectrum of life.
A kaleidoscope of love and pain,
A rainbow born from tears like rain.**

**In the silence between each beat,
Life's symphony echoes sweet.
A melody of loss and gain,
A song composed in joy and pain.**

**So let us celebrate this gift,
As through life's pages we swiftly drift.
For in each moment, dark or bright,
Life's true essence shines its light.**
