## FROM THE EDITOR'S DESK

At Hindustan International School, we are committed to Sustainable Development Goal 4: Quality Education, recognizing that every child deserves access to inclusive, equitable, and high-quality learning opportunities that prepare them for life and future challenges. From the early years, we nurture curiosity, creativity, and critical thinking through interactive lessons, hands-on activities, and project-based learning that connect knowledge to real-world experiences. Our teaching approach emphasizes not only academic excellence but also the holistic development of each Student, fostering emotional intelligence, resilience, and ethical values. Alongside classroom learning, co-curricular programs, workshops, cultural activities, and community service projects encourage Students to build leadership, teamwork, communication, and problem-solving skills, while also cultivating empathy, social responsibility, and global awareness.

We integrate technology, innovation, and modern pedagogical approaches to ensure Students are prepared for the evolving demands of the 21st century. Encouraging inquiry-based learning, debates, and collaborative projects allows learners to engage critically with ideas and develop their own perspectives. Participation in inter-School competitions, exhibitions, and conferences further broadens their horizons and inspires confidence. We emphasize inclusivity, ensuring that children from all backgrounds and abilities receive support to thrive academically and socially. By embedding ethical values, global citizenship, and environmental consciousness into learning, we empower Students to contribute positively to society, fostering a lifelong commitment to Education, personal growth, and the betterment of their communities.

## Graduation Ceremony

The PP3 Graduation Ceremony, held on 7th March 2026, was a grand and memorable success. The event marked a significant milestone in the children's journey, celebrating their growth, achievements, and readiness to move on to the next stage.

The young graduates delighted everyone with a heartfelt graduation song, filling the atmosphere with joy and pride. They were awarded their certificates, marking their accomplishments and hard work throughout the year. A special highlight of the ceremony was the graduation ritual, where the children donned their coats and caps, making the moment even more meaningful and memorable.

It was a proud and emotional occasion for both Parents and Teachers, as they witnessed the children confidently step forward, ready to embrace new beginnings.

### POTTERY SESSION

A special pottery session was held for the Summer Camp children, bringing together young learners from Padur and Guindy to the Karapakkam campus for a unique and enriching experience. The session offered children a wonderful opportunity to explore the art of pottery in a fun and engaging environment. Under guidance, they learned the basics of shaping and moulding clay, allowing their creativity to flow as they designed their very own pots. Each child actively participated in the process, experiencing the joy of creating something from scratch with their own hands.

What made the session even more special was that every child got to take home their handmade creation, giving them a sense of pride and accomplishment. The activity not only sparked creativity but also helped develop fine motor skills, patience, and focus.

Filled with excitement, laughter, and curiosity, the pottery session turned out to be a memorable hands-on learning experience for all the children, leaving them with both joyful memories and a newfound appreciation for art and craft.

### PRE-PRIMARY ANNUAL DAY 2026

On the 7th of March, Hindustan International School's pre-primary section celebrated its much-awaited Annual Day, themed "Beauty and the Beast". The event unfolded like a fairy tale, bringing together a magical blend of storytelling, music, and performance, showcasing the creativity and confidence of our youngest learners.

We were honored to have Ms. Derin Devasia, Senior Vice President Digital Product Management at Citibank, and proud Parent of Aiden (Grade VI) and Alven (Grade XII), as our Chief Guest. Her presence added warmth and inspiration to the celebration.

The highlight of the day was a grand musical performance where our little stars from PP1, PP2, and PP3 brought the enchanting tale of Beauty and the Beast to life. With delightful expressions and spirited performances, they portrayed a story of love, kindness, courage, and transformation, showing how friendship blossoms and love triumphs over all. The young performers truly enchanted the audience with their energy, talent, and charm.

It was a morning filled with joy, magic, and inspiration, leaving everyone with smiles and memories to cherish. The event perfectly reflected the School's commitment to nurturing creativity, confidence, and holistic development from the early years.

## GLIMPSES OF ANNUAL DAY

## **ANNUAL EXAMINATION – ACADEMIC YEAR 2025–26**

The Annual Examinations for the academic year 2025–26 were conducted smoothly between March 6, 2026, and March 18, 2026. The examination period was marked by discipline, punctuality, and a focused academic atmosphere across all classes. Students approached their assessments with sincerity and dedication, reflecting the consistent efforts put in throughout the year.

The School ensured a well-organized and stress-free environment, with clear guidelines and support provided to Students. Invigilation duties were carried out efficiently by the faculty, ensuring fairness and transparency in the examination process. Overall, the examinations were successfully completed, showcasing the collective commitment of Students, Teachers, and staff toward academic excellence.

## **PARENT-TEACHER MEETING – MARCH 28, 2026**

The final Parent-Teacher Meeting (PTM) for the academic year 2025–26 was held on March 28, 2026. The meeting provided an important platform for meaningful interaction between Parents and Teachers to discuss Students' academic progress, strengths, and areas for improvement. Teachers shared detailed feedback on Students' performance in the Annual Examinations as well as their overall development throughout the year. Parents actively participated in the discussions, appreciating the efforts of the School and collaborating with Teachers to support their children's growth.

The PTM concluded on a positive note, reinforcing the strong partnership between Parents and the School in nurturing Students' academic success and holistic development.

## **THE PARENT ORIENTATION PROGRAM**

The Parent Orientation for the new academic year 2026–27 was held on March 30th for new Students' Parents and on March 31st for existing Students' Parents. The session was led by the Principal, Ms. Bharathi Lakshmi, who presented an informative PPT giving a clear overview of the School, its curriculum, and various departments.
