Children's Day - a day cherished by children full of music, dance and all that took to make them smile. A wondrous day when the Educators took on the stage to entertain the children and make them smile.

It was a synchrony of childish laughter and echoes of cheerful claps when the children saw their Teachers away from the books, pens and chalk to take the mike and sing, be on their toes to rhythmic steps of music, and bring alive the assembly taking over their roles.

We treasure our children and wish them the best of lives, they are our most valuable resource and hope for the future.
