## ABOUT THE GROUP

### **Dr. KCG Verghese**

Founder - Chairman Hindustan Group of Institutions  
(20.06.1940 - 14.02.2006)

The Hindustan Group of Institutions was founded in 1968 by the Late Dr. K.C.G. Verghese. Way back in the sixties, realising the need for non-formal technical education, he set up Hindustan Engineering Training Centre (H.E.T.C). Today, the Hindustan Group includes several institutions unified by the founder's vision of imparting quality education for one and all.

The vision of the group is "TO MAKE EVERY MAN A SUCCESS AND NO MAN A FAILURE". The mission is to provide every student with an environment conducive to achieve his/her career goals.

---

It's a privilege,  
your children will  
cherish studying in,  
a well appointed  
school campus, spacious,  
serene ambiance and  
at a prominent location.

## CHAIRPERSON'S MESSAGE

"We believe that, here at Hindustan International School, we have the right balance, with excellent teaching matched by an enviable quality of life."

### Dr. Elizabeth Verghese Chairperson

Going to a school should be a career and life elevating experience.

By choosing to study here you will join a friendly and lively community. The academic environment is top-class and provides an ideal foundation for both, your personal and professional development.

This institution has been rendering 45 years of service in the field of education and enlightening the lives of youngsters. It is one of the most sought after Educational Institutions in India, reputed for its high level of academic excellence, excellent infrastructure for curricular, co-curricular activities, sports and recreation facilities.

The momentum we have signed as one of

the most ambitious, research-led institutions has made us a natural school of choice for a great many talented students and the increase in applications to study here are a clear indication of our growing success.

Students choose our academy because we offer access to quality education and challenging career paths. We aim to produce graduates who have the knowledge and skills to play significant roles in the Global Community.

Let us help you climb new heights in your dreams and aspirations to create a first-class future for yourself. Welcome to a rewarding experience at the Hindustan International School.

## DIRECTOR'S MESSAGE

"Education is a gift that one generation gives to the next"

### Dr. Anand Jacob Verghese Director

At Hindustan we believe that the rights and privileges of education bring a responsibility to make a good use of knowledge, to change the world for the better and to help ensure that succeeding generations have the same opportunities to grow and to excel. Indeed, this Institution owes its existence to our Founder Chairman Late Dr. K.C.G. Verghese generosity and commitment to help future generations.

Here you are surrounded by astonishing resources: fascinating fellow students, a learned faculty, a magnificent library, superb athletic facilities and student organizations covering every conceivable interest - the performing arts and community service among them. You will have complete freedom to explore, learn about new subjects, meet new people and pursue new passions. I want to encourage you, in every way that I can, to make the most of this rare and unique opportunity. One of the virtues of studying at a place

like Hindustan is that you can practice while you learn; you can work in laboratories alongside your teachers on problems at the very frontier of knowledge. We have endeavored to frame courses that are in sync with the growing demands of the industry and help students to explore the frontiers of fields where new knowledge and understanding are being created.

The Institution is the vehicle the world most relies on to educate students and advance knowledge. The vehicle we have built here has been enormously powerful and productive over the past 45 years. Hindustan is prepared to imbue in you a strong reservoir of Hindustan spirit that will equip you to be harbingers of change. I welcome you to search the never ending arch of amalgamated knowledge, walk the untrodden path of seizing opportunities never thought of and be the beacon for the generations to come. I welcome you to the Hindustan International School.

# Our Mission & Vision

**Mission:** Hindustan International School strives to provide holistic education to all our students by instilling the desire for life long learning; strengthening their civic, ethical and moral values.

**Motto:** Live, Learn, Lead.

**Philosophy:** To include a concrete knowledge base nurture genuine love and appreciation of the challenges of learning amidst the students.

**Core Values:**

- Promote personal and academic excellence through our unique approach to International curriculum.
- Collaborate and communicate.
- Foster integrity, trust and respect of others.
- Be inclusive.

**Promote personal and academic excellence, through a unique approach:**

HIS provides an educational environment that promotes intellectual and personal growth through a comprehensive education that fosters character development in its students and prepares them for high school and beyond. We will continue to elevate our educational standards and remain responsive to changing conditions and trends in academics, including the International academic community. To achieve these goals, we will continue to attract, cultivate and retain staff who will dedicate themselves to global consciousness, collaboration, innovation

and students personal growth as a means to create a stimulating environment.

**Collaborate and communicate:**

HIS encourages students to articulate thoughts and ideas effectively using verbal written and nonverbal communication skills in a variety of forms, contexts and languages. It is important that our students learn to communicate effectively in diverse settings and environments. We expect students to demonstrate the ability to work effectively and respectfully with peers and adults. We support individual contribution and at the same time we help students learn how and when to work together as a team to reach common goals.

**Foster integrity, trust and respect of others:**

HIS fosters trust, integrity and respect between and among all segments of the school community, parents, students, teachers and staff. The environment of respect makes HIS a safe place for students to explore and take risks with the knowledge that they will be supported throughout and to learn from mistakes as they achieve success.

**Be Inclusive:**

HIS will maintain its commitment to the diversity of its community by fostering an environment that is inclusive and welcoming to all which will prepare students to collaborate, conceptualize and thrive immensely in an increasingly diverse and global society.

## A unique approach that stands apart

The Hindustan International School is distinguished by its unique approach and values towards learning and its commitment to providing quality education, leveraging the best practices of both traditional and contemporary schools of education. We measure our performance by our student's excellence in academics & co-curricular activities, in addition to developing an enduring interest in varied interests like sports, performing arts and several other extra-curricular activities.

## A global teaching philosophy that respects intrinsic individuality

Our teaching is based on multiple intelligence. We believe that each child is unique and possesses varied skills and talents which must be explored and honed at different levels. We adopt an assessment plan based on Dr. Howard Gardner's Concept of Multiple Intelligence. Teachers are trained to present lessons in many ways using music, co-operative learning, art activities, role play, multimedia, field trips and self reflection giving children the opportunity to learn in ways harmonious to their unique mind. Our teachers respect the intrinsic integrity and individual differences of each child.

Our community program gently introduces our children to ethical and moral issues and considerations. Our time table has a provision which incorporates a separate hour to enable students to complete assignments under the guidance of teachers to make it truly meaningful and stress free.

# Established by the pioneers

Hindustan International School is established by the prestigious Hindustan Group of Institutions. The academic and advisory board of the school comprises of highly educated, proficient, socially reputed and responsible citizens.

## Our Advisory Board

PROF. C. ROBIN  
Legal Advisor

K.R. MAALATHI  
CEO  
AUURO Educational  
Services

R. VENKATESH  
Chartered Accountant

Four children, two girls and two boys, are smiling and holding a large white sign. The sign contains text about a curriculum. The background is a plain, light-colored wall.

## A comprehensive curriculum that combines learning & practical knowledge

**Hindustan International School, Karapakkam campus will be affiliated to the Central Board of Secondary Education (CBSE).** We recognize the challenges of an inter-dependent and competitive environment and the need for children to be competitive and excel in what they do. The CBSE curriculum is content-rich and combines learning and practical knowledge.

Based on the core knowledge sequence, children learn about world history, geography, art and information about major civilizations, cultures and religions both ancient and modern. Visits to local museums and other places of interest deepens the young students' understanding of classroom lessons and learning through real-life experiences.

## Why CBSE Board?

The Central Board of Secondary Education is popularly known as CBSE. It is one of the most prestigious educational boards of India. CBSE is a National and powerful education board. It incorporates with International trends.

The syllabus is offered in more scientific manner. The CCE way of assessing the students is holistic in approach.

CBSE also has the benefit of a desirable status with International universities. For proof one can see CBSE Schools in operation in Singapore, Russia, Africa and Middle East. Of the top 100 schools in India 90 schools have CBSE syllabus.

60% of the IIT intake comes from CBSE whereas it is only 10% from ICSE, 28% from all the State Boards and 2% from other schools.

The pattern for entrance examinations of IIT-JEE & PMT, and Dental Courses, NDA, CDS and other defence and civil services follow CBSE.

## Our Pedagogy

Grade I to VI are structured around self contained smart classrooms meeting international standards and providing congenial atmosphere for learning wherein students are trained in Hindi, English, Math, Social Studies, Science and extra Curriculars like Drama, Music, P.E, Computer, Art, Craft and Library skills by Specialists. The children are trained in Language Arts Literacy to enrich their Communication Skills through reading and listening, oral expressions, spelling and handwriting.

The programme in Mathematics addresses the basic understanding of Computational Skills, Basic Algebraic Concepts (mental games), understanding of Bars, Graphs Charts & the ability to Solve Problems in the areas of Measurement, Money, Temperature & Time.

The Science programme stresses the development of thinking skills that helps them to become problem solvers and decision makers. Research & analytical skills such as Collecting, Understanding, Interpreting,

Applying and Evaluating are employed in the scientific approach. The elementary programme at all levels comprises of Life Science, Earth Science, Physical Science & Human Body Science.

The Social Studies course is multi disciplinary in approach and uses themes that appeal to children. Here the Units of work are rigorous and activities are highly focused. Through these activities children are engaged in exciting projects and achieve appropriate learning targets developing an International Perspective.

Starting from now children in these grades attend one hour, a week of compulsory music, drama, gymnastics, dance, art, crafts and athletic (P.E.) to give them exposure and also be able to tap their talents early in life.

 SCHOOL

## A vast multitude of activities aimed to develop skills & creativity

### **Sports:**

Our school gives all students a choice of a wide array of indoor and outdoor games and activities to choose from like basket ball, horse riding, etc. The challenge for the body and mind is seen as an essential element of growing up in children in the long run.

### **Performing Arts:**

Our wide range of offerings in performing arts are: Vocal, Contemporary Dance, Keyboard, Drums, Guitar and many more. Drama and theatre participation help develop skills like gestures, facial expression, characterization, concentration, focus, control on body movements, role-play and connecting with audience. These sessions are conducted by professionals in their respective fields.

## An exciting enrichment program!

With the view to reinforce students' formal learning through exposure to the world, we introduced the 'Enrichment Programme', designed to teach students 21st century skills.

### **Guest Lectures:**

We conduct various guest lectures on campus to give students an opportunity to interact and learn from people from different walks of life. Students from Grade 2 onwards participate in these lectures to understand the world through meeting people beyond their school & home.

### **Field Trips & Excursions:**

Field trips & excursions are an integral part of the learning experience at HIS. Planned to places of academic or general relevance and information. The objective is educational, physical & recreational. Teachers accompany children, ensure arrangements, safety and well-being of all children.

## A professional teaching team that learns & leads by example

Our school is led by an extremely talented team of teachers. And talent is not the only attribute they possess. Each one of our teachers has an innate passion, not just to teach, but also to learn. Our teachers are experienced in their fields-in knowledge, in flexibility, in commitment and in motivational skills. And they realize this passion by engaging with youngsters, being with them, living their lives, understanding them, before making them understand the true lessons of life. Our school also strongly believes in developing its teachers and encouraging them to enhance their skills, to which end, the school conducts in-house training programs to share best practices and arranges experts to run workshops.

## A plethora of delightful facilities

### **Academic Block & Classrooms:**

HIS has well-ventilated, spacious and aesthetically designed staff rooms, air-conditioned AV rooms and well-equipped classrooms with e-boards and audio visual learning aids.

### **The Library:**

The library maintains a supportive and a highly nurturing environment in building knowledge bank for students. The library contains books, CD-ROMS, DVDs that cover a spectrum of subjects and satisfies the students' urge to learn.

### **Arts & Fine Arts Studio:**

HIS has a fully equipped arts and fine arts studio that enables all students to find a new meaning of expression in a flourishing environment that challenges them to develop their varied artistic senses in every way possible.

## A special focus on comprehensive development

### **English Language Lab:**

The English Language Lab is set up to offer an intensive English language training programme that prepares students for academic success and their future careers and allows them to communicate confidently and effectively.

### **Science Zones:**

The science zone is a unique learning space that is designed to arouse curiosity, stimulate creativity and promote enquiry in students. It is a center equipped with state-of-the-art laboratories for Physics, Chemistry, Biology and Environmental Sciences. Several concepts that are taught in the classroom are reinforced in various ways at the science zones.

### **Informatics Lab:**

The school has a well resourced informatics lab linked through a dedicated hi-speed internet connection. Students work in a variety of ways, using word processing, data bases, graphic PowerPoint presentations and desktop publishing.

### **Math Lab:**

Mathematics is a major form of communication in the modern world. Through our manipulative learning centre, we aim to help children enjoy the subject and develop confidence in their ability to use it in a range of different settings.

### **Health Service:**

A school nurse will be on site during the school hours. The nurse treats minor injuries, provides first aid and maintains students' health records

### **Bus Service:**

HIS provides bus service for the convenience of students. All bus routes are monitored by a supervisor. The service consists of a standard service to and from the school. Buses arrive at the school each morning at approximately 8:15 am and depart the school at approximately 3.45pm.

# Ensuring parents are always up-to-date

## **Parents Web:**

We at HIS have introduced a software which benefits all teachers, parents and students. Parents can now view lesson plans, homework and grades under password protection on the unique Parents Web Services. Parents can also check their student's progress from any location via the web.

## **Progress Monitoring System:**

The school has a special system of monitoring each child's progress in sports. The progress of each child is meticulously recorded and monitored periodically to assess the progress of regress of each individual. The quarterly reports and annual reports of each child's activity, performance and achievements are being updated and posted on website so that the parents can keep track of their child activities in sports and academics. All students have a one-to-one interview with their teacher every term, and Parent-Teacher interactions are held each term. We believe that the best way to maximize a student's potential is for school & home to work closely together.
